The Jiwan Lakshy Trust has been formed to do social welfare work. The organization is a voluntary organization, which is working with the rural / urban community at a large level for their social empowerment and livelihood enhancement. The organization is working on a systematic and comprehensive level such as: health, education, skill development of children, environmental protection, women empowerment and social issues. Presently working in Varanasi, Chandauli, district. Jiwan Lakshy Trust has been registered on 22 July 2019. Registration of Jiwan Lakshy Trust is an organization registered by the Government of India under NITI Aayog 12A, 80G. The organization is running a campaign for

Women and daughters, under this campaign, financially weak and destitute women are making them self-reliant by giving them skills. Along with that, it is also giving them financial support for their employment. The organization is also working to educate the children of the slum area who do not go to school due to economic condition. The institution also distributes their education, related materials and clothes from time to time, so that there should not be any kind of interruption in their education due to their economic condition. The organization is doing all this work for free or at a very low fee, the organization is in great need of the cooperation of all of you, so that the organization can help more and more women and daughters and daughters and youth in their

economic and social upliftment by making them self-reliant. As well as help in the education of economically weaker children, youth and women, you can also be a part of this campaign, for whatever financial support you will give, the organization will give you this 12A / 80G certificate which will give you exemption from income tax. You will get cooperation. The area of the program being run at present, Varanasi will continue to support the general public from time to time by playing its active role in education, health, employment and all government schemes to the people of rural / urban areas. At present, in Pndra block, & Chiraigaon Block, Nathpur, Shapur, Shivpur, Pandeypur, areas, health education and employment supplementary education, sewing, embroidery, toy manufacturing, beauty parlor, karate, computer and many other employment and education programs are being run. Creating new employment opportunities through mission self-help groups, women empowerment, education, vaccination, better health through health information, awareness and care of plantation, promotion of environmental protection. Making the general public self-reliant and conducting many tasks smoothly.
